9 Controlling interest

The controlling and ultimate controlling party are the shareholders of the company.

10 Going concern

The directors have reviewed the twelve months ahead and have considered the company's financial position and note no material uncertainties that may cast significant doubt about the ability of the company to continue as a going concern irrespective of the adverse balance sheet. This is considered appropriate as the directors are satisfied that the company's major creditors will not demand repayment of amounts outstanding to the detriment of other creditors.
