## NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2016

#### 1. STATUTORY INFORMATION

Dog Buddy UK Ltd is a private company, limited by shares, registered in England and Wales. The company's registered number and registered office address can be found on the Company Information page.

The presentation currency of the financial statements is the Pound Sterling (£).

#### 2. STATEMENT OF COMPLIANCE

These financial statements have been prepared in accordance with the provisions of Section 1A "Small Entities" of Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" and the Companies Act 2006.

#### 3. ACCOUNTING POLICIES

#### Basis of preparing the financial statements

The financial statements have been prepared under the historical cost convention.

#### Preparation of consolidated financial statements

The financial statements contain information about Dog Buddy UK Ltd as an individual company and do not contain consolidated financial information as the parent of a group. The company has taken the option under Section 398 of the Companies Act 2006 not to prepare consolidated financial statements.

#### Significant judgements and estimates

There are no significant judgements or estimates applied to the numbers contained within these financial statements.

#### Turnover

Turnover is measured at the fair value of the consideration received or receivable, excluding discounts, rebates, value added tax and other sales taxes.

#### Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

### NOTES TO THE FINANCIAL STATEMENTS - continued FOR THE YEAR ENDED 31 DECEMBER 2016

#### 3. ACCOUNTING POLICIES - continued

#### **Taxation**

Taxation for the year comprises current and deferred tax. Tax is recognised in the Income Statement, except to the extent that it relates to items recognised in other comprehensive income or directly in equity.

Current or deferred taxation assets and liabilities are not discounted.

Current tax is recognised at the amount of tax payable using the tax rates and laws that that have been enacted or substantively enacted by the statement of financial position date. Group relief of trading losses has been claimed to utilised some of the losses incurred.

The tax credit disclosed in the income statement represents the surrender of corporation tax losses for research and development tax credits.

#### Deferred tax

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the statement of financial position date.

Timing differences arise from the inclusion of income and expenses in tax assessments in periods different from those in which they are recognised in financial statements. Deferred tax is measured using tax rates and laws that have been enacted or substantively enacted by the year end and that are expected to apply to the reversal of the timing difference.

Unrelieved tax losses and other deferred tax assets are recognised only to the extent that it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits.

#### Research and development

Expenditure on research and development is written off in the year in which it is incurred.

#### Foreign currencies

Assets and liabilities in foreign currencies are translated into sterling at the rates of exchange ruling at the statement of financial position date. Transactions in foreign currencies are translated into sterling at the rate of exchange ruling at the date of transaction. Exchange differences are taken into account in arriving at the operating result.

#### Hire purchase and leasing commitments

Rentals paid under operating leases are charged to profit or loss on a straight line basis over the period of the lease.

#### Pension costs and other post-retirement benefits

The company operates a defined contribution pension scheme. Contributions payable to the company's pension scheme are charged to profit or loss in the period to which they relate.

#### Going concern

The financial statements have been prepared on the going concern basis. The company incurred losses during the year and the director is aware that the company's statement of financial position reflects net liabilities. The company's adequate cash resources and ongoing financial support from its parent company ensures that it is able to meet its obligations, if and when, they become due. The director is therefore of the opinion that the company should continue to adopt the going concern basis of accounting in preparing the annual financial statements.

#### 4. EMPLOYEES AND DIRECTORS

The average number of employees during the year was 8 (2015 - 8).
